

REMARKS

This application has been carefully reviewed in view of the above Office Action. Applicant appreciates the indication of allowability of claims 10-16 and 32. This amendment is submitted to place the claims in condition for allowance. All rejected claims have been cancelled without prejudice, and Applicant reserves the right to present the cancelled claims or similar claims in a continuing application for further prosecution.

New claims 33-36 are presented which depend from allowable base claims and are therefore believed clearly allowable, and require no new search and minimal consideration.

Respectfully submitted,
